**NOTE A- NATURE OF THE ORGANIZATION**

Bring Everyone in the Zone, Inc. (hereafter referred to as "BEITZ"), is a non-profit organization that is approved and monitored by a board of directors and depends on contributions and grants to support its' operation. BEITZ's purpose is to provide education and support to service personnel and their families who are experiencing the devastating effects of post-traumatic stress disorder. BEITZ's programs train facilitators in recognizing cases that require additional services including medical referral and providing them with needed responses.

**NOTE B- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting**

The financial statements of BEITZ are prepared on the accrual basis of accounting. Using this method, revenues are recognized when earned and expenses are recognized when incurred.

**Recognition of donor restrictions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restrictive by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanent restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. BEITZ reports donor-restricted contributions whose restrictions are completely met in the same period as unrestricted support.

**Statement of Cash Flows**

For purposes of the statements of cash flows, cash and cash equivalents includes cash and money market accounts.

Significant renewals and betterments are capitalized, while repairs and maintenance expenses that do not increase the useful lives of the assets are recognized as expenses when incurred. Equipment is depreciated over 5 years using the straight-line method. Only property and equipment over \$1,500 is capitalized.
